

Specifications For
CRUSHED AGGREGATE BASE COARSE #2 & #3 (COMPACTION GRAVEL)
 (2017 Maintenance and Construction Work)

The Town of Rice Lake will be accepting bid proposals on a cost per ton basis for the following materials to be picked up and/or delivered for possible road projects during the year of 2017:

- Crushed Aggregate Base Coarse Gradation No. 2 (Compaction Gravel) to be delivered and/or picked-up by Town of Rice Lake vehicles
- Crushed Aggregate Base Coarse Gradation No. 3 (Compaction Gravel) to be picked-up by Town of Rice Lake vehicles

The purpose of this contract is to ensure the Town of Rice Lake a set price and availability of Crushed Aggregate Base Coarse Gradation No. 2 and Gradation No. 3 (Compaction Gravel).

Reference Standards

State of Wisconsin Department of Transportation Standard Specifications shall be used for reference when deemed necessary.

Description

Crushed Aggregate Base Coarse (Compaction Gravel) shall consist of one or more courses or layers of coarse aggregate, either crushed gravel or crushed stone, fine aggregate and binder or filler blended as necessary to produce an intimate mixture of the required gradation and stability.

Requirements:

The aggregate shall consist of hard, durable particles of crushed stone or crushed gravel and a filler of natural sand, stone sand or other finely divided mineral matter. Over-sized material, encountered in deposit, from which the material is taken shall be removed by screening or shall be crushed to the required sizes. The composite material shall be substantially free from vegetable matter, shale and lumps or balls of clay and shall conform to the pertinent gradation requirements.

Filler:

If filler in addition to that naturally present in the base coarse material is necessary for meeting the gradation requirements or for satisfactory binding of the material at the screening plant or on the road, the material for such purpose shall be obtained from sources approved by the authorized person(s) of the Town and shall be free from agglomerations or lumps.

Gradation Requirements:

The aggregate shall be well graded between the limits specified and conform to the following requirements:

Sieve Size	Percentage by Weight Passing			
	Gradation No. 1		Gradation No. 2	
	Crushed Gravel	Stone	Crushed Gravel	Stone
1 ½ Inch	100	100	---	---

No. 40	10 - 30	---	10 - 30	---
No. 200	3 - 10*	2 -1	3 - 10*	3 - 12

Sampling and Testing:

The duly authorized person(s) of the Town of Rice Lake shall sample, weigh, and test material (minimum of 500 grams) from the stock pile to be used for said road projects not less than 30 days prior to commencement of the project(s), and if material fails to pass all sieve tests and plasticity test per Dept. of Transportation specifications, said contract shall be void and the next lowest bidder shall be awarded the contract. The duly authorized person(s) of the Town of Rice Lake shall also reserve the right to sample, weigh and test material as deemed necessary from pit or job site. The Contractor shall pay for all sample material, transportation and laboratory testing fees. One copy of the test results shall be furnished to the Town of Rice Lake.

Weights:

Each load shall be accompanied by a current weight slip indicating Gross Weight, Empty Weight and Net Weight, and shall be presented to the designated town personnel on the job site prior to unloading or loads are subject to refusal.

Equipment

1. **General** Equipment and tools necessary for producing, handling and transportation of the materials and for performing and maintaining all parts of the work must be satisfactory as to design, capacity and mechanical condition for the purpose intended. Any equipment which is not maintained in full working order, or which is used by the contractor, is inadequate to obtain the results prescribed, shall be repaired, improved, replaced or supplemented to obtain the progress and workmanship contemplated by the contract.

2. **Hauling:** All vehicles for the transportation of materials shall be the weight, type and capacity that no damage will result to the existing subgrade or base course in place.

General:

1. Gradations and amounts to be used shall be set by an authorized person(s) of the Town as deemed necessary per job.
2. Crushed aggregate base coarse (Compaction Gravel) shall be purchased per standard ton with a standard ton to weight 2,000 pounds for the purpose of this contract. Material shall be ordered in full truck load lots.
3. Contractor shall proceed with delivery of crushed aggregate base coarse (Compaction Gravel) upon 12 hour notice.
4. Contractor shall be responsible to furnish material in a work type manner as to provide for orderly and efficient installation to be done by the owner. Materials shall be delivered in such a manner as to provide continuing, uninterrupted, delivery of materials as specified. (example: trucks provided for delivery shall stay on the job till completion or other arrangements are made with supervisor in charge of each job.)
5. Allotted time for unloading at any one dump site shall be a maximum of fifteen (15) minutes.
6. The Town of Rice Lake retains the right to split any one load between job site and Town of Rice Lake stockpile. Estimate of tonnage used on job site shall be done at job site and estimate shall be placed upon the weight ticket.
7. Contractor shall conduct operations under this contract in compliance with all applicable laws.
8. Town reserves the right to assign job site inspectors as deemed necessary by the Towns authorized person(s).
9. Contractor shall give written notification to Police, Fire and Street Departments of the municipality at least twenty-four (24) hours before closing off or in any way effecting through vehicular traffic on any street.
10. Contractor shall not litter premises in the process of completion of any part of this contract.
11. Contractor shall provide duly authorized person(s) of the Town with current information regarding contract jobs as all requests.
12. Contractor shall have a qualified person(s) in charge and shall give the name(s) to the Town.
13. This contract constitutes the entire job and understanding between the parties, and hereto, and it shall not be considered modified, altered, changed, or amended in any respect unless in writing and signed by the parties hereto.
14. The failure of the Town at any time to require performance by the Contractor of any provisions hereof shall in no way effect the right of the Town thereafter to enforce the same. Nor shall waiver by the Town of any breach of such provisions hereof be taken or held to be a waiver of any succeeding breach of such provisions or as a waiver of any provision itself.
15. No assignment of the contract or any right occurring under this contract shall be made in whole or part without the express written consent of the Town.
16. Contractor shall list any special conditions with bid or Town shall expect Contractor to be in complete agreement with all parts of this contract.
17. Contractor will defend, save harmless, and exempt Town, its officer, agents, servants, and employees from and against any and all suits, actions, legal proceedings, claims, demands, costs, expenses, and attorney's fees resulting from injury to person(s) or damage to property out of work done in the performance of this contract.
18. This contract shall not be construed as to cover all projects new or projects funded through secondary sources, either full or partial, but not limited to such projects as Federal Highway Safety Projects, Federal Aids Urban Projects, State primary and secondary projects, Economic Development Projects or Recreational Projects.
19. The Town of Rice Lake reserves the right to reject any or all bids, to waive informalities, and to accept the bid proposal deemed most advantageous to the Town of Rice Lake.
20. Contractor shall not perform extra work without authorization of duly authorized person(s) of the Town.
21. Contractor shall provide barricades, lights or any necessary safety devices needed to alert and protect motorists prior to commencing the job and continuing through job completion.
22. Contract shall be for one (1) year from date of bid.

Nondiscrimination Clause

Without limiting the generality of any of the provisions of this Agreement, CONTRACTOR, in its operations, and also as a part of the consideration hereof, shall maintain and operate its facility and provide its services in compliance with and pursuant to Title 49, Part 21, Code of Federal Regulations, nondiscrimination in federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights of 1964, and as said Regulations may be amended; and shall not on the grounds of race, creed, color or national origin, physical limitation or disability, or on any other prohibited basis discriminate or permit discrimination against any person or group of persons in the manner whatsoever.

In addition, the CONTRACTOR covenants that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 2152, Subpart E. The CONTRACTOR assures the TOWN that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this Subpart. The CONTRACTOR assures that it will require that its covered suborganizations provide assurances to the CONTRACTOR that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Payment

Payment for furnished Crushed Aggregate Base Coarse (Compaction Gravel) shall be made upon satisfactory delivery and approval of the duly authorized person(s) of the Town.
