Barron County has contracted with CodeRED to allow anyone throughout the County the opportunity to receive free emergency alert notifications and weather warnings that require immediate action. These notifications include emergency evacuations, shelter-in-place instructions, missing children alerts, tornado warnings, etc. Anyone wanting the free alerts sent to their cell phone, VoIP phone, or email accounts can register by visiting the Barron County Sheriff Department's website at [www.barronsheriff.org](http://www.barronsheriff.org) and clicking on the Code Red icon in the lower-right column.

Users will have the option to receive alerts any time the National Weather Service issues a tornado warning, severe weather warning or flash flood warning for the address entered on the enrollment page. This system will only notify you if your exact address is in the warned polygon area issued by the National Weather Service, therefore, you only receive alerts that pertain to you.

## SNOW NOTICE

Please be advised that it is unlawful to plow snow from driveways across town roads or to park vehicles or equipment in the Town road right-of-way. This practice is in violation of WI Stat. 346.94 (5) and violators are subject to penalties.
